Zoom Press Conference Tuesday, January 24, 2:30 PM EST

COVID Never Handled as Public Health Crisis, but a Live Military War Response

WASHINGTON, DC - There is now [evidence](#) to suggest that the SARS-CoV-2 virus was interpreted by the US as a national security threat in early 2020 and that the Department of Defense (DOD) has always had total control of the COVID program. The Biden Administration has **Covered Up** this secret for 3 Years. Moreover, documents reveal that no clinical and manufacturing standards of practice have been applied to the COVID countermeasures vaccination program.

Join us this Tuesday at 2:30 pm EST for a live Zoom Press conference to hear from Big Pharma insiders, a legal expert, and a retired senior US military officer who have uncovered the hidden program. To receive an invitation to the Zoom event, please email TrevorFG@Protonmail.com
